What is the SIDA Test?

The SIDA test is a mandatory examination required for individuals who need unescorted access to secure areas within an airport. 3. Restricted area access procedures
4. Emergency protocols and response
5. Recognizing and reporting suspicious activities
6. Handling of prohibited items

Newark Airport, managed by the Port Authority of New York and New Jersey, follows strict guidelines aligned with the Transportation Security Administration (TSA) standards. The test is designed not only to evaluate knowledge but also to reinforce security awareness among airport employees and contractors.

Preparing for the SIDA Test at Newark Airport
