Causes Behind the Search for Free Downloads

The pursuit of a free digital copy is driven by several factors:

1. **Cost Barrier:** Textbooks can be prohibitively expensive for many students, especially those already investing in tuition and supplies.
2. **Digital Convenience:** The preference for eBooks and digital formats facilitates mobile learning and quick reference.

Educators must also navigate ensuring students have legitimate access to up-to-date, accurate content. Unauthorized

downloads may also compromise the quality of learning due to incomplete or outdated materials.

Legal and Ethical Perspectives

Copyright laws protect the intellectual property of authors and publishers, ensuring they receive compensation for their work.
