Challenges and Triumphs

Despite the many positive experiences, there were also challenges. The heat and humidity made it difficult for me to stay active, and I had to learn to adapt to the new environment. However, with the support of my family, I was able to overcome these challenges and thrive in my new home.

Lessons Learned

My time in Cuba taught me valuable lessons about adaptability, resilience, and the power of human-animal bonds. It showed me that no matter where you are in the world, the love and care of a family can make any place feel like home.
