Lyrics of "Arms of an Angel"

Spend all your time waiting for that second chance
For a break that would make it okay
There's always some reason to feel not good enough
And it's hard at the end of the day
I need some distraction, oh beautiful release
Memory seeps from my veins
Let me be empty and weightless and maybe
I'll find some peace tonight

In the arms of the angel, fly away from here
From this dark, cold hotel room, and the endlessness
that you fear
You are pulled from the wreckage of your silent
reverie

You're in the arms of the angel; may you find some
comfort here

So tired of the straight line, and everywhere you
turn

There's vultures and thieves at your back
The storm keeps on twisting, you keep on building
the lies

That you make up for all that you lack
It don't make no difference, escaping one last time
It's easier to believe
In this sweet madness, oh this glorious sadness
That brings me to my knees

In the arms of the angel, fly away from here
From this dark, cold hotel room, and the endlessness
that you fear

You are pulled from the wreckage of your silent
reverie

You're in the arms of the angel; may you find some
comfort here
