It was a revelation, opening my eyes to the depth and breadth of quantitative finance.

Challenges and Triumphs

The path of a quant is not an easy one. There are countless challenges, from the pressure of high-stakes trading to the

constant need to stay updated with the latest advancements. However, the triumphs are equally rewarding. The satisfaction of solving a complex problem or developing a new model is unparalleled. Derman's teachings have been a beacon of light, guiding me through the darkest times and celebrating with me during the brightest moments.

The Future: Continuing the Legacy

As I look to the future, I am determined to continue the legacy of Emanuel Derman. His influence has been profound, and I aim to pass on his teachings to the next generation of quants.
