Context: Educational Demands at Grade 5 Level

Grade 5 marks a transitional phase where learners consolidate foundational knowledge and prepare for more advanced studies. The pressure to perform well academically increases, often leading to increased reliance on supplementary materials like answer keys. These keys serve as tools for students to self-verify their work, providing immediate feedback outside traditional classroom hours.

Causes Behind Rising Dependence on Answer Keys

Several factors contribute to the growing use of answer keys. The expansion of remote and hybrid learning models has heightened the need for accessible resources that foster independent learning.
