Located within the eerie castle setting of *We Were Here Too*, the Peasant puzzle requires both communication and observation. The game's™ cooperative nature means that one player typically interacts with clues and objects inaccessible to the other, making teamwork essential.

Step 1: Understanding the Puzzle Layout

Upon entering the room with the Peasant puzzle, one player observes a series of statues or figures resembling peasants, while the other player has access to a control panel or set of mechanisms. The statues often have distinctive features such as colors, positions, or accessories that serve as clues.

Step 3: Decoding Clues

Look for patterns in the statues—perhaps the number of items held or colors worn corresponds to a sequence required on the panel. Sometimes, environmental hints such as inscriptions or nearby symbols provide context to the puzzle's solution.
