As you prepare for your world history final exam, understanding Sequoyah's life, achievements, and legacy can be both rewarding and essential for your success.

Who Was Sequoyah?

Sequoyah, also known as George Gist or Guess, was a Native American polymath of the Cherokee Nation. Born around 1770, he is most famously credited with inventing the Cherokee syllabary—a written script that enabled the Cherokee people to read and write in their own language. This achievement revolutionized literacy and communication within the Cherokee Nation and had profound cultural and

political implications.

The Importance of Sequoyahâ€™s Syllabary

Before Sequoyahâ€™s creation, the Cherokee language was purely oral. The syllabary, consisting of 85 characters, made it possible for Cherokee speakers to transcribe their language efficiently. Historical Context and Impact

Sequoyahâ€™s work came at a critical time when Native American tribes faced increasing pressure from European American expansion and government policies.
