The makeup helped the members create distinct characters, making their performances unforgettable and enhancing their stage presence.

Gene Simmons's™ Iconic Demon Look

The Demon makeup features sharp black lines around the eyes, a pointed tongue design, and a stark white base. It was designed to symbolize power, aggression, and a primal rock-and-roll attitude. The makeup transformed KISS into cultural icons who blurred the lines between music, theater, and marketing.

Evolution and Consistency Through the Years

Despite changes in band membership and musical style, Gene Simmons has famously maintained his Demon makeup almost consistently. Occasionally, the band has appeared without makeup, but the iconic faces remain a fan favorite, representing the spirit and nostalgia of classic rock.

Behind the Scenes: Application and Maintenance
