Personal development also benefits. Reading becomes less about completion and more about reflection. Ideas are

allowed to linger, connect, and mature. Over time, this leads to a deeper relationship with the subject matter.

Accessibility features quietly increase inclusivity. Adjustable display options and reading assistance tools ensure that more people can engage comfortably. Knowledge becomes easier to approach without drawing attention to limitations.

Organization supports continuity. A personal library grows alongside interests, preserving progress and context. Returning to a familiar book feels seamless, even after long breaks.
