The Context: Grammar Instruction in Primary Education

Grammar instruction in primary education aims to equip students with the tools necessary for effective communication. Within this framework, subject-verb agreement represents a cornerstone concept. However, teaching this often complex rule presents challenges due to variations in verb forms and exceptions. The educational system has increasingly turned to worksheets as a means of providing systematic practice.

Causes for Emphasis on Worksheets

Several factors have driven the widespread adoption of subject-verb agreement worksheets at the KS2 level. Firstly, worksheets offer tangible, focused exercises that can be tailored to varying proficiency levels.
