What stands out most is how the relationship with the book evolves. It is no longer just something that was downloaded. It becomes familiar, reliable, and quietly useful.

Each return to *Ivan In Cursive Writing* brings something slightly different. New insights appear, previous questions find answers, and understanding deepens without announcement.

In this way, reading becomes less about finishing and more about revisiting. The value lies in the continuity, in knowing that the material is always there when reflection calls for it.
