To make the most of your reviewer, create a study plan that outlines your goals, study schedule, and areas of focus. Break down your study sessions into manageable chunks and allocate time for each subject. Regularly review your progress and adjust your plan as needed.

group study sessions, and online forums. Regularly test your knowledge with practice exams to identify areas that need improvement.

Managing Your Time

Time management is crucial when preparing for college entrance exams. Allocate specific time slots for studying each subject and stick to your schedule. Avoid procrastination by setting realistic goals and rewarding yourself for achieving them. Use time management tools such as calendars, planners, and apps to stay organized.
