What is the Unblock Car Game?

How to Play Unblock Car Game

Playing the Unblock Car game is straightforward. Here are the basic steps:

2. **Move the Cars:** You can move the cars by clicking and dragging them. Each car can only move in a straight line, and you cannot move a car if there is another car blocking its path.
3. **Plan Your Moves:** Careful planning is essential. You need to think several moves ahead to create a path for the red car. Sometimes, you need to move other cars out of the way to free up space.
4. **Exit the Grid:** Once you have created a clear path, move the red car to the exit point. The game is won when the red car successfully exits the grid.

Tips and Strategies for Winning
