In this article, we'll dive into the figurative language that makes this song so enchanting and explore how these literary devices can enrich our own writing and communication.

The Power of Imagery

Imagery is one of the most prominent figurative language techniques in "What a Wonderful World." The song is filled with vivid descriptions that appeal to our senses, making the world Armstrong sings about feel tangible and real. For example, the lines "I see trees of green, red roses too," and "I see skies of blue and clouds of white" create a visual feast that transports listeners to a serene, picturesque landscape.

Metaphors and Similes

Metaphors and similes are also key players in the song's figurative language repertoire. While "What a Wonderful World" doesn't rely heavily on similes (comparisons using "like" or "as"), it does use metaphors to convey deeper meanings. For instance, the line "The colors of the rainbow so

pretty in the sky" metaphorically suggests that the world is a canvas of vibrant colors, much like a rainbow. This metaphor elevates the song's message, turning a simple observation into a profound statement about the beauty of nature.

Personification

Personification, the attribution of human qualities to non-human objects, is another figurative language technique that Armstrong employs subtly. The line "And the friends shaking hands saying how do you do" personifies the world as a place where even inanimate objects or abstract concepts can engage in human-like interactions. This personification adds a layer of warmth and friendliness to the song, reinforcing its theme of unity and harmony.

Alliteration and Assonance

Alliteration and assonance, the repetition of consonant and vowel sounds respectively, contribute to the song's musicality and rhythm. Phrases like "trees of green" and "skies of blue" use alliteration to create a pleasing, rhythmic effect. Meanwhile, the repetition of vowel sounds in lines like "The colors of the rainbow so pretty in the sky" adds a lyrical quality that enhances the song's overall appeal.

Symbolism

Symbolism is another figurative language technique that plays a crucial role in "What a Wonderful World." The song uses symbols to represent broader ideas and concepts. For example, the "trees of green" and "red roses" symbolize nature's beauty and vitality, while the "skies of blue" and "clouds of white" represent peace and tranquility.
