Contextual Overview

AP Economics courses are designed to offer college-level economics instruction to high school students, covering both microeconomics and macroeconomics. The College Board, which administers AP exams, provides teacher manuals to standardize and elevate instructional quality nationwide. Downloadable editions of these manuals have increasingly become a norm, reflecting the digital age's shift in educational resource dissemination.

The Cause: Demand for Accessible Teaching Resources

Teachers face growing expectations to deliver rigorous content while catering to diverse learning styles and preparation levels.
