Getting Started: Understanding the Game Interface

Upon launching the game, you are greeted by a colorful map with multiple clickable areas. The game interface is user-friendly but demands attention to detail. Each scene offers objects that can be interacted with to reveal hints or unlock new areas.

It's essential to explore thoroughly and revisit locations as new clues can appear after solving certain puzzles.

Step-by-Step Walkthrough

Step 1: Initial Exploration

Begin by clicking around the beachfront area. Pay attention to objects like surfboards, palm trees, and beach umbrellas. Among these, one item holds a subtle clue – a surfboard with a coded message.

Step 2: Decoding the Message

Use the in-game notebook or external methods to decode the message. It typically involves simple cipher techniques such as Caesar shifts or symbol replacements. Decoding this leads you to the famous Diamond Head landmark.

Step 3: Searching Diamond Head

At Diamond Head, interact with rocks and vegetation. A hidden

compartment can be found behind a large boulder revealing a keycard.

Step 4: Accessing the Night Market

The keycard grants entry to the Honolulu night market scene. Here, you must solve a puzzle related to matching vendor stalls with their specialties. Completing this puzzle awards a map fragment.

Step 5: Assembling the Map

Collect all map fragments scattered in previous scenes to assemble the full map. This will reveal the exact location of the headquarters.

Step 6: Final Location and Puzzle

At the headquarters's entrance, a final puzzle tests your memory from earlier clues and requires arranging symbols in the correct order. Successfully solving this unlocks the game's ultimate secret.
